Re: Chairman Candidate Endorsement for the Libertarian Party of California (LPC)

Dear Chairman Robson,

We were truly and pleasantly pleased to find three declared candidates of worthy caliber for the position of LPC Chairman; yourself, Robert Imhoff, and Joshua Smith. We considered platform statements and endorsement requests from the three declared candidates and found that each candidate currently holds an impactful leadership role in the Libertarian Party.

Through a vote concluded on March 19, 2018, it was determined that you will receive the Board's endorsement for re-election.

*The Libertarian Party of Sacramento County Executive Committee Board would like to extend our formal endorse to Honor "Mimi" Robson in her re-election campaign for Chairman of the Libertarian Party of California*

It is important to note that each of the three candidates have provided invaluable service to the party. We truly hope and anticipate that, regardless of the outcome of the April 7, 2019 LPC convention vote, each of these three individuals will stay actively engaged in the Libertarian Party.

We are thrilled to see that the Libertarian Party has three talented, passionate, and dedicated activists willing to take on this challenging role. We are deeply appreciative of the unique expertise you each bring to the Libertarian Party's efforts in California and we look forward to actively working with all three of you in the coming year.

We look forward to the leadership provided and utilization of key talents to propel our party into a position of relevancy in California. This is an unprecedented time and it is of the greatest importance that we all work together to make sure we seize this important opportunity.

Sincerely,

*Janine DeRose*

Chairman
